

Dear Parents and Guardians,

We are excited to announce that we will be offering our annual ASW Summer Camp beginning in July of 2022. This will be a unique opportunity for your child to engage with truly passionate staff who will strive to help your child develop academically and personally in order to reach their highest level of achievement. The entire camp day will be taught in English so your child can gain skills in all of the areas of language acquisition including listening, speaking, reading, and writing. Quality instruction, delivered through fun, creative, and engaging methods, will allow students to grow each day in their English language skills.

Our camp is open to current ASW students and also to other students who may want to begin learning the English language for the first time. During the day students will participate in thematically-based activities, workshops, art, sports, and trips. All of these activities will be conducted in English. During the week, there will be opportunities for the current ESL students to participate in smaller group activities to practise their skills.

The camp will run from July 4th until August 5th, 2022, Monday through Friday from 8 am to 4 pm and will be held on the ASW campus (ASW, ul. Partynicka 29-37, Wrocław). Parents can choose to send their children for the entire duration of the camp from July through August, or they can choose specific weeks they would like their child to attend. Each week, the payment for the week will be through 4parents, and the cost of the trips to be paid in cash, will be shared via email. If you have any questions or would like more information regarding the ASW Summer Camp, please contact our friendly staff at summercamp@asw.org.pl

We look forward to seeing you this summer!
